

EYFS Weekly Newsletter

Friday 13th September

Welcome to our EYFS newsletter. Each Friday one weekly newsletter will be published containing both Nursery and Reception information. Please make sure that you have signed up to School Comms, and that you check your in box regularly so that you know what your child needs. Thank you.

Look what's happening....

Dates for your diary:

Monday 16th September — 'Come Read With Me'. Come on in to class with your child in the morning and spend some special time sharing a book together.

- * From Monday 16th September our Busy Bee Lending Library will be opening in classrooms. All children will receive a book in their special book folder. You may keep this book to share at home for up to one week. The book will then be changed by a member of staff. Please keep these books safe and remember to return them regularly. You may change your child's book more often if you wish, just ask a member of staff to help you.
- * Tuesday 17th September 9am — Meet the Teacher for Reception parents. This is an opportunity to find out more about routines and how your child will be learning during the Reception year.

Preview Learning

This term our topic in Nursery and Reception is myself and being healthy. We will be talking about food that we like and finding out about healthy eating and where different foods come from. You can help your child at home by talking about food that you eat and the different tastes that you experience.

A big welcome to all our new families. Our new friends are settling in like champions. We can already see that you are all learning superstars.

Please remember

We only allow children to drink juice with their packed lunches. At all other times, children should have just water in their bottles. Children who have a school dinner have water provided.

"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning."

—Mr. Rogers

Nursery Preview Learning

Next week we will be retelling the story of Goldilocks and the Three Bears. We will talk about ourselves and our families and we will be learning to make friends with our new Nursery family. You can help your child at home by sharing any photos that you have of your family and talking with your child about them.

If your child has a special photo that they would like to share with us we'd love to put a copy in their learning journey!

Reception Preview Learning

Read Write Inc

We will be learning new sounds using our exciting phonics programme. Next week we will be introducing

p, g, o, c

We hope that you will spend some time practising these sounds with your child in preparation for our sessions, as this will give them a real advantage. We will be using our friend Fred Frog to help us to hear the sounds in words.

Count with me

My number line

0 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

We are learning to say numbers to 20. If your child can do this already can they count backwards from 20-0? We are also learning to recognise these numbers too.

WOW MOMENTS!

Your child's progress and achievement is recorded in their very special 'Learning Journey'. You can find your child's book in special boxes in our cloakroom. It is a shared record between you, your child and us. We all contribute to it. WOW MOMENT slips can also be found in the cloakroom. Please fill these in to share special achievements that you have noticed with us. We have a special WOW container in the cloakroom area where slips can be posted. Please talk to a member of staff for more information.
