- * Wednesday 16th October—Meavy class trip to the Farm
- * Thursday 17th October—Mole class trip to the Farm
- * Friday 18th October—Wear Pink for Breast cancer

Nursery Parents

Our Busy Bee Library is open!

This is a selection of books based outside Taw Class that your child can choose from to read with you at home.

To prepare your child for Reception next year it would be helpful for your child to have a book bag to carry their borrowed books. You can purchase a bag from the main school office.

PLEASE READ

It has come to our attention that some parents are being unkind to each other and gossiping loudly about other parents. We would like to remind you that there is a code of conduct which we expect to be followed by all parents on the school site. This states that: "In order to support a peaceful and safe school environment the school will not tolerate parents, carers or visitors exhibiting the following: Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff."

This sort of behaviour will not be tolerated. We expect the children to use their kind words towards each other and adults need to be role models in front of their children.

Nursery Information

Your child now needs to bring a coat to Nursery every day

As the weather is so changeable, children should bring a coat to nursery each day. We are having a big focus on getting the children to put on their coats on their own. Here is the first way you could try to help children to become independent at putting on their coat.

Help your child to put their hood on and then encourage them to feel for and find their own sleeves, push their arms down the sleeves and yes, they can put on their own coat!

What a Tryatops!

Another way is to; again, put the coat on the floor, this time get your child to sit with their coat behind them, help them to put their arms in to the sleeves and lift their coat on to their shoulders.

Reception Preview Learning

The children are really enjoying learning their sounds. Our new sounds are **sh,r,j**. You could look out for things at home that begin with these sounds. Next week we will be focusing on **v,y,w, th** and **z**.

Please look out in book bags for our letter formation sheet so that you can practice writing these letters at home.

Occombe Farm

Please remember that the Reception children should wear old clothes and shoes to the farm. They will also need wellies to change in to when they walk around the farm and woodland.

WOW MOMENTS!

Your child's progress and achievement is recorded in their very special 'Learning Journey'. You can find your child's book in special boxes in our cloakroom. It is a shared record between you, your child and us. We all contribute to it. **WOW MOMENT** slips can also be found in the cloakroom, please fill these in to share special achievements that you have noticed with us. We have a special **WOW** box in the cloakroom area where slips can be posted. Please talk to a member of staff for more information.
